Anti-Ragging Regulations @ BVRIT Hostels, Narsapur

Dear Students,

As part of our commitment to fostering a safe and respectful learning environment, we emphasize the following anti-ragging regulations in BVRIT Narsapur:

- **Zero-Tolerance Policy:** Ragging in Hostels in any form is strictly prohibited within the college premises, including hostels, transportation facilities, and off-campus events.
- **Definition of Ragging:** Ragging encompasses any behavior that causes physical, mental, or emotional harm to fellow students, including but not limited to bullying, harassment, intimidation, and verbal abuse.
- **Consequences:** Any Hosteller found involved in ragging activities will face severe disciplinary actions, which may include suspension, expulsion, and legal consequences as per the law. Treat all junior hostel residents with respect, dignity, and empathy.
- **Reporting Mechanisms:** We encourage all students to report incidents of ragging promptly and confidentially through our designated helpline numbers, online complaint portals, or directly to faculty members or the anti-ragging committee.
- **Awareness and Education:** Orientation programs and awareness campaigns are conducted regularly to educate students about the negative impacts of ragging. Encourage a culture of inclusivity, cooperation, and mutual support within the hostel community.
- **Support Services:** Counseling and support services are available for victims of ragging to provide them with the necessary assistance and guidance.

We urge every student to uphold these regulations and contribute to creating a welcoming and harassment-free environment where everyone can thrive academically and personally. Let's stand together against ragging and promote a culture of mutual respect and understanding.

Best regards,

Anti-Ragging Committee, BVRIT, Narsapur
